Administrator, Federal Aviation Agency

Washington, D. C.

Dear Peter:

I want to thank you for the assistance which you provided
in conjunction with our Cornerstone Ceremony at Langley on
3 November.

During the late stages of preparation for the Ceremony,
we found that the roar of the planes climbing out of the National
Airport over the site was deafening. We much appreciate your
having undertaken on such short notice to reroute traffic away
from the site during the Ceremony.

Sincerely,

Allen W. Dulles
Director
